# Dundee Sailing and Rowing Club

July 2026 Newsletter

Yolanda Archibald

5th July 2026

## Commodore's Corner

As we move further into summer, it's hard to believe this is already my fourth Commodore's newsletter. The months seem to be flying by, and it has been wonderful to see the club so active both on and off the water. There has been a great deal happening, and still plenty to look forward to.

It has also been a pleasure to welcome a number of new members to the club over the past month. We're delighted to have you on board and hope you'll enjoy everything DSRC has to offer. I've had the pleasure of meeting some of you already, and hope to meet many more of you at our Chippy Tea on Saturday 25th July at 18:00 in the club. It will be a great opportunity to get together and chat. 😊

## Sailing

It has been another busy and successful month for our sailors. Our regular Tuesday club sailing and Thursday training session continue to be well supported with an impressive 22 sailors taking to the water. It has also been encouraging to see an increase in numbers, including families and younger members going from strength to strength, with so many members getting involved. Thank you to everyone who has contributed their time and enthusiasm on and off the water. 😊

On 14th June, eight sailors set sail to sail around Mugdrum Island by Newburgh. It was a long day (8hrs on the water) with various conditions – taking their time and enjoying the experience. The sailors showed good seamanship by keeping well out of the racing line and avoiding becoming an unexpected extra obstacle in the race by keeping clear while the Newburgh sailing club were taking part in their race around the Island.

### Ready to Launch!

Thanks for the hard work of Jan, Kerstin, Pawel, Manuel, and Stuart, 5 Toppers and 3 Lasers are now ready for our budding sailors. They've put a great deal of effort getting everything shipshape and ready to go. The boats are ready and raring to go. 😊

## Rowing

Rowing has also had a very busy and positive month. Training and tasters have been going incredibly well! *"You came for some tasters and now you're members of the club"… There is no escape now - look on the bright side-you've now got a built-in excuse to eat twice as much pasta-Great to have you on board"*. Welcome.

Regatta Success at Forfar Loch! On the 20th June, 18 of our rowers headed to Forfar Loch for a fantastic fun regatta and what a day it was. From the high-energy fun races to the 2K events, everyone gave it their absolute all. Congratulations to one of our teams who even came home with a medal! It looks like we need to start building a trophy cabinet 😂. Everybody mucked in to make the day a massive success. A Big thank you to all the budding photographers, and everyone who cheered us on.

We want to extend a huge **THANK YOU** to Forfar for hosting the event. We are grateful for the welcome and the organising that went into making the fun regatta run so smoothly.

On the 24th June, a number of our rowers headed to North Queensferry for Fifie Friday. Although the event was cancelled while they were on their way, due to weather, most were already there and decided to continue the journey. Thankfully, the weather gave them a lucky break, and they enjoyed a brilliant row under the Forth Road Bridge.

The surprise highlight of the day was a visit from a pod of dolphins, who swam alongside the skiff and gave everyone a real treat.

Eider is currently at the DSRC Spa enjoying a well-deserved makeover! She has now been turned over, the hull has been painted, and work is well under way on the oars, footrest and trolley. Once the paint has fully dried, she'll be turned back over on to the trolley for the inside treatment before making her return to the water and looking her best.

## Club News & Congratulations

Congratulations to Karen on successfully completing her RP assessment, especially while dealing with all sorts of unexpected situations "with a few bonuses thrown in by the crew, who were clearly taking their acting roles very seriously"!

Congratulations to Paco, Clive and Pawel for gaining their RYA PB2 qualification – a great achievement and another positive step in building skills and confidence within the club.

A big welcome to Giorgia, who has joined the social media team. It's great to have another enthusiastic member on board. Thanks to the effort of the whole team, our Facebook and Instagram pages continue to grow, with one recent post following the row on 23rd June reaching an impressive 1,003 views. This is helping to showcase the many activities taking place at the club and keeping members up to date.

## Our Party Planners Strike Again

Our ever-energetic Party Planners have been busy as ever! As well as organising social events, their latest addition is our new club logo stickers, now on sale for £1 each. They are perfect for notebooks, toolboxes, laptops, water bottle or anywhere you would like a touch of club spirit. Why not pick up some, next time you're at the club and help spread the word about DSRC.

## Workshop Reminder

Our workshop is a fantastic facility, and we'd like to keep it that way. Please remember that the workshop is a shared space. If you've used tools, return them to their proper place. If you've made a mess, please clear it up before you leave.

Keeping the workshop tidy isn't someone else's job - it's everyone's responsibility. A few minutes at the end of each job makes a huge difference and helps ensure the workshop is ready for the next member.

Thank you for your support.

## Making Room for Our Growing Club

With our membership continuing to grow, we're working hard to make the best use of space both inside and outside. As part of this, we're organising storage areas, identifying equipment and carrying out some general improvements, including a bit of painting.

If you have a boat or personal equipment stored at the club, please make sure they are clearly tagged with your name. It would also be helpful to include the date on the reverse of the tag. Tags are available in the lounge upstairs with cable ties.

As part of making better use of the compound, we'd be grateful if members whose boats are not sailed regularly or not being used, could move them to the far end of the compound. This will allow boats that are used regularly to be nearer the gate, making launching and recovery easier for everyone.

Thank you for your understanding and support as we work to make the compound more accessible and practical for all members. Your support is very much appreciated – and if anyone enjoys sorting, tidying or painting, we may just have found your dream job! 😉

## Dates to be Noted

- TEWSH/Gala Day Regatta (sailing and rowing) – Sunday 5th July
- Chippy Tea – Saturday 25th July at 18:00 soft drinks provided or BYOB
- Fifie Fridays - 31st July at Kinghorn, August (day still to be confirmed) at St Andrews
- Portsoy Trip - 25-28th August
- DSRC Beach Bonfire Night, live music with the Doolichters in the boathouse – Saturday 29th August
- Forfar Regatta – Saturday 17th October.

👀

A reminder to keep an eye on our WhatsApp groups, where rowing training sessions and other opportunities are regularly being posted. Also, sailors please keep an eye on Spond for your weekday and weekend sails. Further longer trips can be found on the club calendar and sailing programme.

*Until the next month, whether you're rowing, sailing or cheering from the shore, Thank You for helping make our club such a friendly and welcoming place. Wishing you fair winds, following seas and happy rowing. See you on the water!*
